Sixty laughs to the minute was the schedule at the Butler last night and several of the laughs nearly ended in convulsions. The play was "Jakey, Mikey and Ikey," which was produced by popular request. Everybody in the house was pleased and the bald-headed row was happy, for the singing and dancing numbers were excellent. Little Miss Winifred Green and Jean Hathaway were pleasing in their selections.

Tomorrow night the Curtis company will produce the best musical two-act comedy, "Frolics of 1909." This is said to be a regular scream, but it will have to go some to beat "Jakey, Mikey and Ikey." Procure your seats early this afternoon for there is going to be a big crowd at the show tonight.

Holds the record. Miss Camella Thirst, who has just returned from her first year at the finishing school in Oakland, holds the class record for high balls—thirteen in an hour. She is thinking of going on the stage.—Reno Revelle.

ST. PIERRE'S

WILL INCREASE HIS VISITS TO THIS CAMP

IN THE FUTURE C. A. HIGBEE WILL MAKE QUARTERLY TRIPS TO TONOPAH.

C. A. Higbee, secretary and treasurer of the Tonopah Mining company, and J. Harvey Whiteman, vice president and general counsel, left Tuesday for Wonder, where they will spend several days looking over the Nevada Wonder property, in which both gentlemen are interested and then return to Philadelphia.

Mr. Higbee, prior to his departure, stated that in the future he would make from three to four trips a year to this camp as compared to the semi-annual visits of the past.

"During the past eight years," stated Mr. Higbee, "I have had but seven days real vacation and it is my intention to combine pleasure with business on my next visit. Both Mr. Whiteman and myself during our stay here made a thorough examination of the mines in addition to attending to other affairs and consequently were kept busy."

"While in Wonder we will probably make arrangements for the erection of a mill on the Nevada Wonder property. Bids have already been advertised for and the construction should start in the near future."

LARGE QUANTITY OF FLOWERS FOR DECORATION DAY

WILL RECEIVE SHIPMENTS FROM LOS ANGELES AND SAN FRANCISCO.

Rotholz Brothers, the leading Tonopah stationers, are making great preparations toward supplying the flower trade of this city on Decoration day. They have ordered for that occasion over 6000 carnations of various colors, 250 dozen roses, white lilies, lilies, and in fact, nearly every flower in the market. The consignments will be received from both Los Angeles and San Francisco, and when the orders were placed it was with the understanding that nothing but the best was to be sent, regardless of cost.

The prices will be moderate for it is not the desire of the firm to charge exorbitantly whether or not they happen to be the only firm dealing in flowers.

All orders placed in advance will be attended to and it is requested that those desiring flowers call and file their order and take no chance of being unable to secure floral decorations if the shipment proves inadequate.

PIERCY AND SON WILL CONDUCT DRUG STORE

SON AND HEIR ARRIVES AT THE PIERCY HOME YESTERDAY NOON.

Joe Piercy, who is soon to open a drug store next to the Bonanza office, will probably change the firm name to Piercy and son, for a six-pound boy arrived at his home yesterday, and consequently the opening date will be delayed a short time. For who could attend to business when the first-born arrives? Naturally Joe was somewhat elated over the arrival of the son and heir, and cigars were distributed profusely.

Mrs. Piercy and baby are progressing nicely. So is Joe.

POPULAR YOUNG COUPLE WEDDED LAST EVENING

MISS EVELYN WILLIAMS AND CLIFF LORING APPROACH HYMENEAL ALTAR.

Last evening at the residence of the bride's parents, Mr. and Mrs. W. J. Williams, Miss Evelyn Williams and Cliff Loring were united in marriage, the Rev. Lloyd B. Thomas of St. Mark's Episcopal church officiating.

The parlors of the residence had been prettily decorated for the occasion and hardly had the words been spoken joining the young couple together, when a stringed orchestra, composed of a number of the friends of the contracting parties, commenced a serenade.

At the ceremony, Miss Letitia Richards acted as bridesmaid, while J. Alex Digges officiated as best man. Following the wedding an elegant supper was served at which the bride and groom were toasted and wished a happy journey over the matrimonial sea.

Mrs. Loring is one of Tonopah's pioneers, having moved to this city with her parents during the infancy of the camp. She has a host of friends here and is a favorite among the younger set and no gathering is considered without her presence. Mr. Loring is one of the best known and most popular young men of Tonopah and was formerly connected with the Nye and Ormsby County bank, and also with the county recorder's office. At present he is manager of the Tonopah Sewerage and Drainage company.

A large number of handsome and costly presents were received by the couple. They will make their future home in Tonopah, which is gratifying news to their many friends.

OUTGROWTH OF CASE TRIED OVER 20 YEARS AGO

HEARING ON INJUNCTION CONCERNING WATER RIGHTS IS CONTINUED.

In the district court yesterday the case of Erwin vs. Tognoni, which has been set for hearing on injunction, was continued until Thursday night. The case involves a large portion of the water rights at Duckwater and is an outgrowth of a litigation that occupied the courts of Nye county twenty years ago.

The estate of A. J. Weber was reported upon by Administrator Ford of Goldfield, who has had charge of the affairs for over two and one half years. The report was preparatory to the closing of the estate.

The same administrator also reported on the estate of Mrs. Bertha Webster, the wife of A. J. Webster, who died several months after the demise of her husband.

IS SENTENCED TO SIX MONTHS FOR ASSAULT

WILLIAM KOEFER WILL BE THE GUEST OF NYE COUNTY FOR NEXT HALF YEAR.

William Koefer, who Tuesday afternoon, approached Barry Maddeford from behind and struck him several times over the head with a heavy cane, appeared in Judge Atkinson's court yesterday afternoon for trial. Koefer, after committing the assault, sought refuge in his cabin, but was apprehended during the night by the police.

He demanded a jury trial yesterday, which was granted, and after hearing the evidence, a verdict of guilty was rendered. Koefer attempted to show that Maddeford had assaulted him on Monday night, and for this reason he struck Maddeford with the cane. However, his witnesses testified that they had witnessed no scrap between the men. Koefer then attempted to secure the sympathy of the jury by dwelling on his age and past record. In this he made no mention of having a vagrancy charge over his head in the same court.

When the verdict was returned the court pronounced a sentence of six months in the county jail, and the defendant was forthwith escorted to his new quarters. He will prove a valuable acquisition to the chain gang.

MARRIAGE LICENSES.

Marriage licenses were issued yesterday by County Clerk Pohl to Cliff Loring and Evelyn Williams, both of Tonopah; and to John W. Bartley and Mrs. Hattie L. Wise, both of Tonopah.
